

## **COOKIE POLICY**

**for the website <http://szlak.kopernikowski.uwm.edu.pl/en/>**

### **1. What cookies are**

Cookies are small text files stored on the user's end device when using the website <http://szlak.kopernikowski.uwm.edu.pl/en/>.

Cookies enable the proper operation of the website, improve its functionality, support traffic analysis, and remember selected user settings.

### **2. Who uses cookies**

Uniwersytet Warmińsko-Mazurski w Olsztynie, with its registered seat at ul. Michała Oczapowskiego 2, 10-719 Olsztyn, e-mail: [rafal.kazmierczak@uwm.edu.pl](mailto:rafal.kazmierczak@uwm.edu.pl), is the controller of the website and the entity using cookies.

### **3. Types of cookies we use**

#### **Essential cookies**

These cookies are used to ensure the proper operation of the website and cannot be switched off in the website systems because they are necessary for the provision of electronic services.

#### **Functional cookies**

These cookies allow the website to remember user settings and adapt the website to the user's choices, for example language, interface preferences, or consent settings.

## Analytics cookies

These cookies allow us to obtain statistical information about how the website is used, which helps us improve and develop the service.

## 4. Legal basis for the use of cookies

Essential cookies are used on the basis of the technical necessity to ensure the proper functioning of the website.

Functional and analytics cookies, where consent is required under applicable law, are used only after the user has given consent.

## 5. Managing cookies

The user may manage cookie settings using the consent banner displayed during the first visit to the website or through the web browser settings.

The user may change the scope of the consent given at any time.

Restricting the use of cookies may affect certain functions of the website.

## 6. Cookie retention period

Cookies may be session cookies or persistent cookies.

Session cookies are deleted after the browser session ends.

Persistent cookies remain on the device for the period specified in their parameters or until deleted by the user.

## 7. Third parties

If analytics, mapping, multimedia, or other external tools are used, cookies may also be placed by the providers of those tools.

The scope and operating rules of external tools depend on the privacy policies of the relevant service providers.

## 8. Personal data

Information collected through cookies may constitute personal data or may be linked to personal data.

The rules for the processing of personal data are set out in the Privacy Policy.

## 9. Changes to the Cookie Policy

This Cookie Policy may be updated in the event of technological, legal, or organisational changes.

The amended version shall be published on the website together with its effective date.

Effective date: 23 April 2026.
